PUBLIC WORKS – ENGINEERING DIVISION**

ROAD MAINTENANCE BOND

Bond No. _____

KNOW ALL BY THESE PRESENT:

THAT, _____ (hereinafter called "Principal") and
_____, a _____
corporation authorized to transact surety business in the State of California, (hereinafter called
"Surety"), as Surety, are held and firmly bound unto Solano County (hereinafter called "Obligee")
in the full and just sum of _____,
(\$ _____) as set forth in this instrument.

WHEREAS, Principal has been or will be granted a permit by Solano County; and

WHEREAS, the supplemental conditions of the permit require that the Principal: (1) perform maintenance work to County roads and other facilities affected by construction performed under the permit; (2) repair any damage to County roads and other facilities resulting from work performed under the permit; and (3) provide security to ensure that any County roads and other facilities that are damaged by the Principal are promptly repaired and, if necessary, reconstructed.

NOW, THEREFORE,

1. This bond shall insure that any County roads and other facilities damaged by Principal as a result of work authorized under any Solano County permit are promptly repaired, and if necessary, reconstructed.
2. This bond may be called in the sole discretion of Obligee in the event of a failure by Principal to perform its obligations under the above-referenced permit.

3. Notwithstanding the provisions of the permit, the term of this bond shall be from _____ until cancelled at the sole discretion of Obligee.
4. The aggregate liability of the Surety under this bond is limited to the penal amount stated herein and shall be reduced by any payments made by the Principal or Surety to the extent of such payments.
5. No right of action shall accrue under this bond to or for the benefit of anyone other than the named Obligee.
