

Solano County Response to Union Proposal #28

Distributed on September 15, 2022

Emergency Response Compensation (NEW SECTION)

Notwithstanding any other MOU provision(s) to the contrary, if, during any proclaimed disaster by the County Administrator and ratified by the Board of Supervisors lasting more than three (3) consecutive full days, exempt personnel who are required to work in excess of forty (40) hours in a workweek will receive additional compensation for such affected personnel at their hourly rate not in excess of 100 hours per fiscal year. Employees must be assigned to work as part of the EOC response and must complete an Activity Log (ISC 214).
