Solano Sheriff Custody Association

Subject: JTO

Associations Interest: The Association is interested in having a successful training program and that entails contemporaneous Daily Observation Reports (DOR). A DOR cannot be done in the presence of the trainee as these are not always positive reports. The accuracy and timeliness of the DOR is paramount in a successful training program so getting the DOR completed at the end of shift is important. The DOR is equally important for the Correction Officer that are doing well and failing.

Proposal:

E. Jail Training Officer Differential

In order to receive such additional compensation, the employee must be a certified trainer through STC (Standards and Training for Corrections). JTO will be given one hour (1) per day of overtime at their regular rate of pay to write the Daily Observation Reports (DOR) on the Corrections Officer they are training.
